CET/Central European Time | GMT/Greenwich Mean Time

Mentoring: 30 minutes per session. Students must choose a seminar area to develop the final written work for assessment. If requesting support from the professor in the chosen area of the final work, they must first register to ask for a mentoring time to be booked throughout the 4th-12th of July of 2024 | **Face-to-face sessions:** presentation of each student's final work and discussion/evaluation.
